I choose to receive email notifications whenever a password change event occurs.

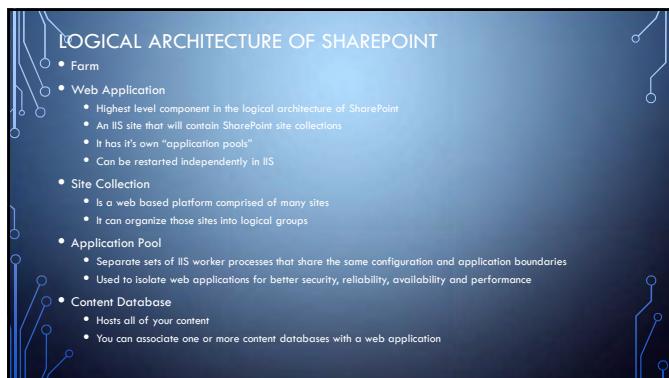

Specify a date and schedule for the system to automatically change the password.

Save **Cancel**

The screenshot shows the SharePoint Managed Accounts page. At the top, there's a navigation bar with links for Home, SharePoint, Sites, and System Account. Below the navigation is a search bar and a 'Sign Out' button. The main content area has a title 'Managed Accounts' with a 'Create New' button. On the left, a sidebar lists 'Central Administration' sections: Application Management, System Settings, Monitoring, Security, Backup and Recovery, and Security. A red box highlights the 'Manage Managed Accounts' section under Application Management. To the right of the sidebar is a table titled 'Manage Managed Accounts' with three rows of data. Each row contains a 'Name' (e.g., ETHealthPlan), a 'Last modified' date (e.g., 1/25/2019 8:42:17 AM), a 'Last modified by' column (e.g., ETHealthPlan), and a 'Delete' link (with a red X icon). The entire table is also enclosed in a red box.

Name	Last modified	Last modified by	Delete
ETHealthPlan	1/25/2019 8:42:17 AM	ETHealthPlan	X
ETHealthPlanHist	1/25/2019 8:39:49 AM	ETHealthPlan	X
ETHealthPlan	1/11/2018 2:11:39 PM	ETHealthPlan	X

- Farm
- Web Application
 - Highest level component in the logical architecture of SharePoint
 - An IIS site that will contain SharePoint site collections
 - It has its own "application pools"
 - Can be restarted independently in IIS
- Site Collection
 - Is a web based platform comprised of many sites
 - It can organize those sites into logical groups
- Application Pool
 - Separate sets of IIS worker processes that share the same configuration and application boundaries
 - Used to isolate web applications for better security, reliability, availability and performance
- Content Database
 - Hosts all of your content
 - You can associate one or more content databases with a web application

CREATING A WEB APPLICATIONS

The screenshot shows the SharePoint Managed Accounts page. On the left, there's a navigation bar with links like Application Management, System Settings, and Security. The main area has a title 'Managed Accounts' and a sub-section 'Regular Managed Accounts'. It lists several accounts with columns for User name, Last login, and Last password change. Each account entry includes a 'Delete' button. The 'Application Management' link in the sidebar is highlighted with a red box.

User name	Last login	Last password change
ETINChapman	1/15/2018 8:30:49 AM	1/15/2018 8:42:17 AM
ETINCapadimitri		1/15/2018 8:30:49 AM
ETINOgden		1/15/2018 2:11:29 PM
